

BINTANG WIDYA NARENDRA

Nganjuk, East Java | bintangwidya2233@gmail.com | 081249528797

SUMMARY

A dedicated Informatics Engineering student with technical skills in web development and a proven track record of leadership and teamwork. Experienced in developing responsive websites, e-commerce platforms, and managing community projects. Strong soft skills include public speaking, time management, and collaboration, which are demonstrated through active involvement in organizational roles and technical projects. Passionate about leveraging technical expertise to deliver impactful solutions and drive innovation.

TECHNICAL SKILLS

Hardkill: HTML, CSS, Bootstrap, MySQL, JavaScript, PHP , Python, Stramlit, Flask.

Softkill: Public Speaking, Time Management, Commitment, Collaboration

PROJECT EXPERIENCE

- Web-Base Store Food Store (Front-end Developer)
 - Developed a responsive website for a food store to manage online orders and display menus.
 - Implemented a dynamic product catalog using HTML, CSS, JavaScript, and PHP.
- Web-Based Batik Store (Front-end Developer)
 - Designed and implemented an e-commerce platform for a batik store
 - Created an interactive product filter feature to help customers browse batik collections by pattern, color, and price.
 - Collaborated with a team to integrate Firebase for real-time inventory management and customer reviews.
 - Ensured cross-browser compatibility and responsiveness for both desktop and mobile users.
